RG55 STUMP CUTTER

FEATURES AND BENEFITS

- 53.4-hp Kubota gasoline engine
- Available with wireless remote control
- 4-wheel drive
- Swing-out control station protects the operator and provides the best view of the cutting action. Controls fold in line for travel through gates.
- Slewing ring pivot lowers the machine's center of gravity and allows for maximum cutting depth across the entire width of the cut. Pivot pins and bushings are Eliminated.
- The wide hydraulic backfill blade saves time during clean up and can easily be folded in for passing through gates.
- The RG55 features 4-wheel-drive with 2-speed ground travel. Wide tires provide traction and lower ground pressure for working on soft lawns. Dual rear wheels come standard.
