V1.0 - 241127

RAYCO RG37T

The RG37T is an excellent stump cutter for those who need a compact machine that has traction to get where tires just won't take you.

The rubber track undercarriage provides excellent traction while maintaining a low ground pressure. Unlike other track stump cutters, the RG37T's short track base allows it to turn easily and with less turf damage than competitors long track bases.

Counter rotating tracks allow the machine to turn in place, which makes it easy to re-position when cutting large stumps. A swing-out control station provides excellent visibility while cutting and swings in line for travel through gates. Two-speed travel and a hydraulic backfill blade rounds out the package, making the RG37T an excellent choice among compact stump cutters.

Technical Specifications

Cutting Depth	17.5" (44.5 cm)
Cutting Height	24.5" (62.2 cm)
Cutting Width	51" (130 cm)
Ground Drive	2-Speed
Tracks	Non-marking Rubber Tracks
Backfill Blade	Std
Engine	37 hp Vanguard
Fuel Type	Petrol
Fuel Tank Capacity	37.8 L
Cutter Wheel Diameter	43.8 cm
Cutting Wheel Thickness	2.5 cm
Oil Tank Capacity	7.6 L
Weight	839 kg

(All specs E&OE and subject to change)
