V1.0 - 240731

FÖRST TR6P

The Först TR6P Wood Chipper is powered by the fast and powerful 37HP petrol Vanguard V-Twin engine.

Nimble and agile, the TR6P can maneuver into tight spaces and deliver fast, aggressive performance on site, thanks to the FörstGrip feed rollers and Först Flywheel system combined with the powerful petrol engine.

The TR6P is a cost-effective option for acquiring a tracked woodchipper due to the petrol engine's lower price compared to a diesel unit. Additionally, the Vanguard engine comes with a 3-year warranty and offers excellent fuel economy.

6"
CAPACITY
