LASIUS 1000 FLOOR CRANE

LASIUS 1000

The Winlet Lasius is a 1000kg lift capacity from an ultra-compact chassis, with an overall width of just 88cm.

It is highly manoeuvrable with tight turning circle and a travel speed of up to 4.2 kmh. Once in position, you are ready to lift – no outrigger deployment and levelling – saving time.

Its battery power means it is emission free – making it suitable for industry and the construction site – indoors and outdoors.

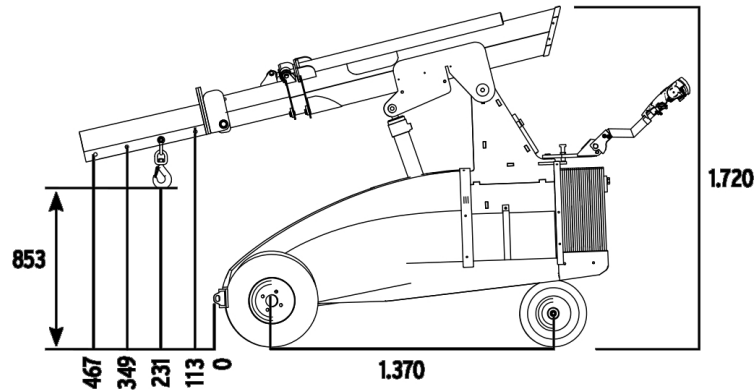

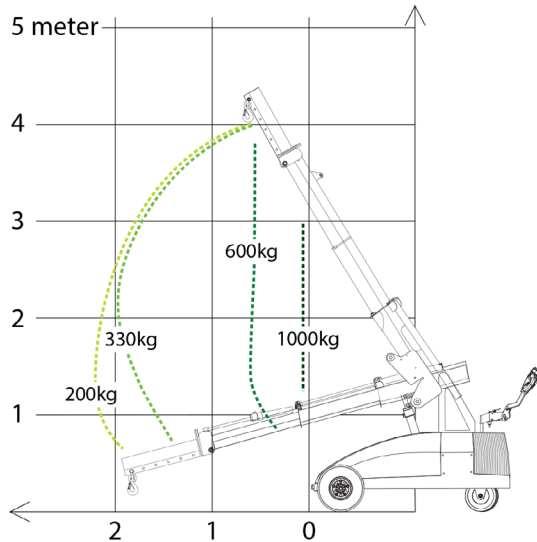

Winlet Lasius is ideal for: Erecting steel beams and other building elements, Glass and façade installation, Machine assembly, Repair work, Packing of non-palletised goods in containers.

1000KG
LIFTING CAPACITY
